

**EuroMAB Meeting 2019, Dublin Bay Biosphere Reserve, Dublin (Ireland), 2–5 April 2019**

Under the conference motto „*Inspiring a positive future by connecting people and nature today*“ the EuroMAB 2019 conference in Dublin Bay Biosphere Reserve will focus on how communications and networking between biospheres can be enhanced, and how biospheres can be best partner with stakeholders and institutions to address global issues with local actions. The conference offers nine collaborative working sessions around three key topics:

- Inspiring people to get involved – How do we inspire stakeholders with the impact of biosphere reserves and the work of EuroMAB?
- Creating belonging to strengthen the network – How do we create a sense of belonging and connection to something bigger?
- Empowering stakeholders to take responsibility – How do we share knowledge and build capacity for people to follow the principles and values of the MAB?
